SOCIAL RESPONSIBILITY

This year, our donation will once again go to 'Doctors of the World' for a 'forgotten country', Yemen. Doctors of the World have been working there since 2007. The focus is on basic healthcare for the population, with a particular emphasis on women's health and mental health.

A NEW CHAPTER BEGINS

At the end of the year, our Managing Director Peter Halfwassen is leaving his active role. He shares his thoughts with us in a short video statement. His spirit and vision will continue to shape and drive the company in the future.

We would like to thank you, Peter Halfwassen, for your exceptional commitment and wish you all the best for the time ahead!
